

RUGBY HASH HOUSE HARRIERS

HASHERDABERY

As we never reached the minimum order quantity for our previous supplier I have looked elsewhere and have found an alternative source. There are a couple of drawbacks but also a couple of benefits.

In order to reduce costs the white background of the badge will not be embroidered. The background will therefore be the colour of the garment as below.

There will only be a limited selection of items available.

Fruit of the Loom Pique Polo shirt - 65% polyester/35% cotton
Colour : Sky Sizes S, M, L, XL, XXL and 3XL
Price : approx. £11.00

Front Row rugby shirt - 100% Ringspun cotton
Colour : Sky Sizes S, M, L, XL, XXL and 3XL
Price : approx. £22.00

Baseball Cap - 100% cotton
Colour : Sky One size
Price : approx. £8.00

All prices are approximate and will depend on the size of order we place.

NOTE : If all those that expressed an interest previously still require garments we should be able to place the order in the couple of weeks. Please therefore return your forms straight away to avoid disappointment as I can not be certain when we will be in a position to place another order. Before the order is placed you will be contacted with the actual value of your order and payment requested.
